
TriviaStreak

TriviaStreak is a cross-platform app that offers bite-sized trivia challenges in various subjects – learn something new anytime, anywhere, and try to keep your streak alive.

TriviaStreak is your go-to platform for a fun and engaging daily dose of learning. Dive into a wide range of topics like pop culture, history, geography, and more. Our streak system keeps you motivated as you earn hearts for maintaining your progress. TriviaStreak delivers a new question each day to challenge your mind and expand your knowledge. Designed for both web and mobile, our app ensures a seamless experience on your phone, tablet, or computer, so you can enjoy trivia whenever and wherever.

PERSONAS

1. Grace, a 16-year-old girl plays Daily Trivia socially at school and home on her iPhone or laptop. She enjoys competing with friends to see who can maintain the longest streak. She likes websites and games that are quick and simple to play.
2. Mark, a 30-year-old office worker plays on his Samsung phone during his commute. With limited downtime, he values quick, engaging games that keep his mind active and provide a sense of accomplishment.

COMPARATIVE COMPANIES

Duolingo

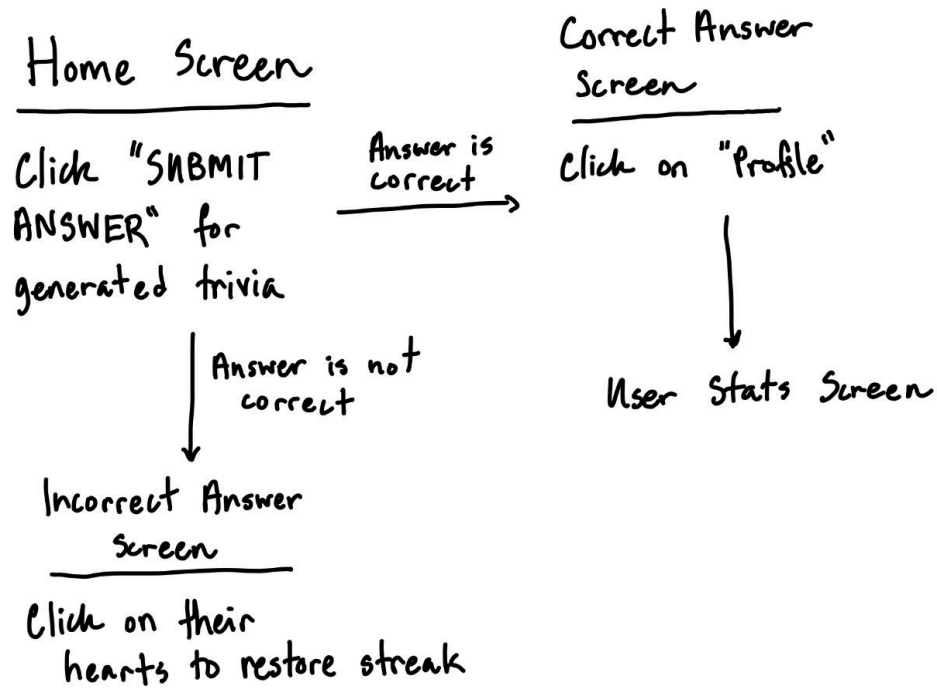

Duolingo's interface is visually appealing, engaging, and simple. It gamifies learning with streaks, currency, and item systems.

Sporcle

Sporcle offers millions of free trivia quizzes across various topics. Users can play solo, join online lobbies, or challenge friends.

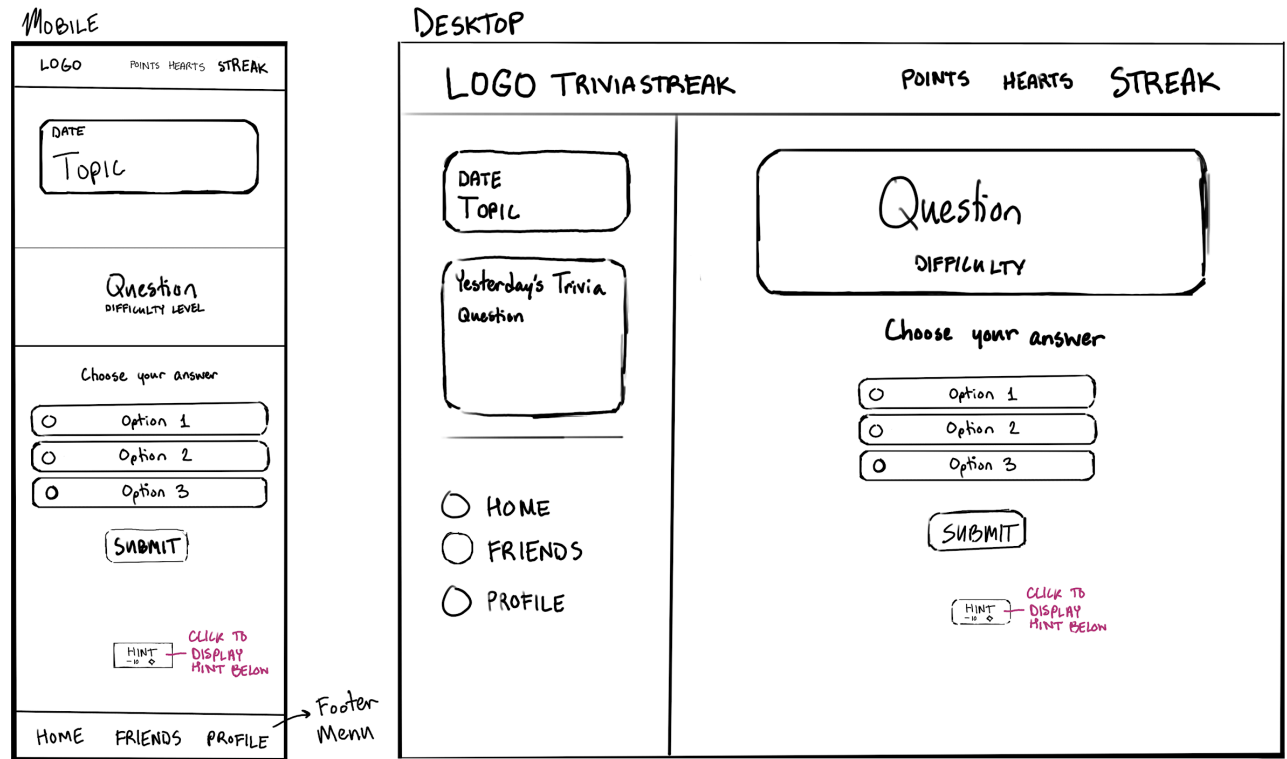

Shorthand Flow

This shorthand flow outlines the process of a user submitting their option choice for the day's trivia question. If their answer is correct, the correct answer screen appears and the user earns points. If their answer is incorrect, they are taken to the incorrect answer screen where the correct answer is displayed and they either lose their streak or use a heart to maintain the streak.
